SALT WATER and SPEAR TIPS

The World's First Circumnavigation
of the Island of New Guinea in a Traditional Sailing Canoe

Featured on 7NEWS - AUSTRALIAN GEOGRAPHIC - MARIE CLAIRE MAGAZINE

In August 2016, Danish adventurer Thor. F. Jensen and three Papua New Guinean master sailors set out to circumnavigate the Island of New Guinea in a traditional sailing canoe, called Tawali Pasana, using ancient seafaring wisdom that has stood the test of time.

After 13 months of high adventure, danger and friendship the 'Fellowship of the Tawali Pasana' sailed into the history books. The account of those extraordinary 6300 kms at sea can now be told.

For a limited time, during June to August 2020, Thor is available to tell his remarkable story to Alice Springs audiences in a fast-moving, interactive, multimedia presentation - stories that will inspire the imagination, warm the heart and raise the spirit.
